This accompanying statement explains how Lakeland Communication's operating procedures ensure that we are in compliance with the rules governing CPNI as found in Subpart U – Customer Proprietary Network Information - Part 64 of Title 47 of the Code of Federal Regulations.

1. Lakeland Communications and its subsidiaries adheres to all CPNI rules as stated in Section 64.2001-64.2009 concerning the proper use of our customer's CPNI. To further protect our customer's privacy, we have implemented all safeguards required in Section 64.2009. This includes:
 - the training of appropriate personnel as to when they are, and are not, authorized to use CPNI;
 - the implementation of an express disciplinary process for CPNI violations;
 - the implementation of a system by which the status of a customer's CPNI approval can be clearly established prior to the use of CPNI;
 - the maintenance of a record, for at least one year, of our own, and our affiliates' sales and marketing campaigns that use customer CPNI;
 - the establishment of a supervisory review process regarding carrier compliance with the federal CPNI rules for outbound marketing situations; and
 - the establishment of annual certification by a corporate officer to ensure compliance with the federal CPNI rules.

A copy of the subpart cited above is attached to this statement of explanation.

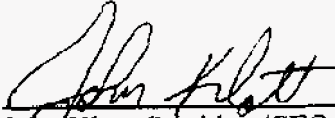

Notes:
